

Victoria Thoizon's band has been selected BBC's favorite band of the 2019 IPO Festival in Liverpool.

French festivals describe them as « true showmen » after every concert.

BIOGRAPHY

Victoria Thoizon's rock band is composed of 5 musicians.

Their musical inspirations come from a wide range of genres and cultures, fusing these various elements into their own unique style.

Mostly Rock, their ingenuity is creating a whole new music genre to be listened to and discover by everyone without a doubt.

Lead by **Victoria Thoizon**, named the "*Rising star of female rock*", "*with an obvious scenic power*" by the press, the band rocks the stage during every concert and incontestably carries the audience with them!

Their third album is currently under preparation along with the **VT TOUR 2023**.
